

ASIA-READY EXPOSURE PROGRAMME

ASIA-READY WEBINAR SERIES

The National Youth Council (NYC) works with various partners to co-curate webinars to allow youth and participants of the **Asia-ready Exposure Programme (AEP)** to gain awareness of the topics of interest in the ASEAN members states, China and India (ACI). Through these webinars, you will be able to gain a better appreciation of the regional issues / developments and a greater awareness of how inter-connected Singapore is with the regional markets.

For AEP participants, the topics or focus countries of the webinar attended need not be related to your AEP project(s) as the objective is to expose you to more than what you will learn through the project.

Registration is on a **first-come-first-served** basis and may close 3 to 7 days before the session, depending on the take-up rate.
