The scene depicts various students engaged in activities: a boy on the left with a camera, a girl running with a butterfly, a boy walking with a book, a boy with a bicycle, a boy with a balloon, and others with books and a stack of books. The background shows a school building with a large archway.

RELEASE OF THE 2016 SINGAPORE-CAMBRIDGE GCE N + O EXAMINATION RESULTS

It was a day of mixed emotions for students as they await to receive their GCE N and O examination result slips. We have put together a gallery of photos from the results release days.

SECONDARY 1 ORIENTATION WEEK

Being in a new environment and having to make new friends can be a nerve-wrecking experience for a Secondary 1 student. To ease the transition, an orientation week was organised to help our new students integrate into the secondary school system. Student leaders hosted a variety of activities to provide the Secondary 1 students with opportunities to interact and get to know their new schoolmates. They bonded over games and an outdoor cooking session which was an exciting event for many of them who were cooking for the very first time. Through the few days of close interactions, students made new friends and were looking forward to the year ahead with their classmates.

SECONDARY 3 ADVENTURE CAMP

As part of the Secondary 3 Adventure Camp, our Meridians engaged in a variety of activities such as rock climbing, rafting and archery while creating friendships, building community, and developing their leadership skills. They learned how to push themselves and many realized what they are capable of. It was indeed a perfect experience in outdoor adventuring for our Secondary 3 Meridians.

RACIAL HARMONY DAY

On Racial Harmony Day, our dedicated Parents' Support Group (PSG) organised cultural games and showcased traditional food for students to experience. There was even a demonstration of a Malay wedding by the talented members of MNO, our school leaders and the PSG members! Students created traditional Kolams using colours, flowers and dots. Collectively, many Meridians felt that it was a memorable day that set them thinking about the people around them and the community they live in.

MERIDIANS DO THEIR PART FOR PRESIDENT'S CHALLENGE 2017

On May 11, Meridian Secondary students and People's Association (PA) staff put their creative heads and hands together to paint colourful bags and bottles for a good cause. This event was held in conjunction with the President's Challenge (PC) 2017. Our students also presented the beautifully painted bottles to Dr Tony Tan and explained the meanings behind their lovely designs. It was truly a meaningful experience for our students.

STUDENT COUNCIL INVESTITURE

The Student Council Investiture formally introduced the new councillors to the general school population and at the same time establishes the Student Council's direction for the year.

SPEECH AND PRIZE-GIVING DAY

Meridian Secondary School's inaugural Speech and Prize-Giving Day honours students who have achieved excellence in various domains. Students, staff, parents and well-wishers came together to celebrate the achievements of Meridians. This event was graced by Mr Ari Manickam, the current principal of Hougang Secondary School. The celebration culminated in a concert that showcased the artistic and musical talents of the various performing arts groups.

HOSTING OVERSEAS SCHOOLS

Our school hosted a group of 36 students and 7 teachers from Sichuan Guanghan Experimental Middle School, Shifang Affiliated Foreign Language Middle School of Beijing Normal University and Chifeng No.2 Middle School. The visit is aimed at enhancing the cross-cultural awareness and strengthening the global-mindedness of students involved. Through this half-day event, the visiting students and teachers learnt more about our students' experiences at Meridian and the Singapore education system. They also engaged in the CCAs with our students and enjoyed themselves very much. It was a great experience and memorable day for all!

HOSTING OF STUDENT LEADERS FROM WA YING COLLEGE

It was a wonderful day of interaction with our visitors from Wa Ying College, Hong Kong. Our Meridians shared their leadership experiences, and became fast friends with our visitors through a series of games and activities. Thank you, Wa Ying College for visiting our school and the memorable experience!

APPLIED LEARNING PROGRAMME – VISUAL COMMUNICATION

Secondary 3 students embarked on a video journalism module where they were taught practical tips on shooting video with shots and angles that support the story to make it more visually interesting. Students learnt how to craft the story and plan their production and were taught interview skills during their English Language lessons. By immersing themselves in this module, students gained a sneak peek into the filmmaking world.

DESIGN THINKING

Secondary 1 Meridians learnt about Design Thinking (DT), one of the school's key programmes, and used the methodology to innovate and solve interesting problems around them. A three-hour workshop was conducted as part of the programme to enable students to experience the DT process of 'Feel', 'Think', 'Do' and 'Share'. During the workshop, students brainstormed on possible solutions and created prototypes of their chosen solutions. Here's a closer look at their amazing ideas!

BREAKFAST WITH SCHOOL LEADERS

A "Breakfast with School Leaders" session was organised for the parents of our Sec 2 students. The aim of the session was to share more information with the parents on the streaming process, subject combinations and various elective modules. A group of parents also attended a parenting talk on how to engage the current generation of students. Parents found this event useful and there was good interaction between the parents and Meridian staff after the event as well.

NEW BOYS MERIDIAN WIN C DIV FOOTBALL TITLE

Meridian Secondary School won the Schools National C Division football title, beating St Patrick's School 1-0 in the finals at Temasek Polytechnic. A goal on the stroke of half-time from Ali Alhabshee, heading in a free kick from Muhammad Danial, was enough for Meridian to take the crown at the first time of asking. Congratulations to all players who played well and with honour!

INTERNATIONALISATION PROGRAMME

The Meridian Internationalisation Programme provides students with broad exposure to different countries, cultures and languages; as well as experiences of the world beyond Singapore. Here's a look at the overseas trips.

MERIDIAN DEBATERS — CHAMPION OF DIV III SINGAPORE SECONDARY SCHOOLS DEBATE CHAMPIONSHIPS

Meridian Secondary Debate Team emerged as champions of the Div III Singapore Secondary Schools Debate Championships, Singapore's largest debating competition. Our student, Su Let, emerged as the best speaker in the Grand Finals. That evening, Meridian debaters spoke with energy and conviction, and it was indeed a hard-fought battle. All 3 speakers were also presented with the Top 20 Speakers of the season - Aliah in 15th position, Sulet in 3rd and Rahul in 1st! Everyone involved in the 2017 championships enjoyed themselves and found it a tremendous learning experience.

NATIONAL DAY CELEBRATIONS

As Singapore celebrates its 52nd National Day, Meridian Secondary School celebrated its first National Day with various activities and events in school. The celebration started off with an impressive parade by the various uniformed groups followed by an interclass National Costume Design competition. The entire event culminated in a spectacular concert in the school hall. Meridians certainly enjoyed themselves throughout the celebrations!

MERIDIAN ART PROGRAMME (MAP)

As part of the Meridian Art Programme (MAP), an overnight camp was held for some Secondary 1 and 2 students from 4 to 5 September. The students had so much fun during the camp — they showcased their creativity by designing and painting their own team flags and played exciting colour-war games. The collection of artwork and games were a sight to remember.

A DAY WITH ALEKSANDAR DURIC

Our students and their fathers participated in a soccer game organised by our Parent Support Group. The turnout was great and all were treated to a surprise guest appearance by the legendary Mr Aleksandar Đurić who gave a very inspiring talk. Mr Đurić had been the captain of Singapore's national team from 2005 to 2012, leading the team to many victories. What a great honour it was to meet him!

THE LUNghi RUN 2017 @ MARINA BAY

Our Meridians took part in the fifth edition of the Lunghi Run at the scenic Marina Bay together with their teachers. As the name suggests, runners taking part in the Lunghi Run are given a lunghi, otherwise known as a sarong, in their race packs, which they would wear as they are running. This event sends a strong message of racial solidarity and harmony to Singaporean runners from all walks of life, thus fostering the acceptance and bond between different cultures living here. Overall, the Lunghi Run was a great experience for our Meridians and a time for fun and excitement as they completed the 4 km route.

TEACHERS' DAY CELEBRATIONS + STAFF APPRECIATION DAY

There was a lively air of celebration all over the school as students showed their appreciation to their teachers at a rousing Teachers' Day Concert. Our teachers enjoyed the performances put up by the students, PSG and our Principal, Mrs Thong, who sang for her solo segment. This was followed by mini-celebrations in the classrooms. The teachers enjoyed themselves thoroughly and were definitely touched by the warmth and efforts of the students. All staff then adjourned to the auditorium for a mouth-watering buffet lunch sponsored by the school leaders.

4N GRADUATION DAY

It was an unforgettable evening for our 4N cohort as they celebrated Graduation Day 2017. The students were elated as they went on stage to receive their graduation scrolls from their own form teachers. They were also treated to a touching performance by a few subject teachers. It was certainly an evening to remember for all students, staff and parents who attended the ceremony.

4E5N GRADUATION DAY

Meridian Secondary School's Graduation Day for the 4E5N students was a momentous occasion, and the ceremony was filled with excitement and pride. The ceremony began with a walk-in procession of our cohort's Form Teachers and Key Personnel. Following this, inspiring speeches were delivered by our Principal, Mrs Thong, and our successful Alumni to encourage our students to achieve and realise their dreams and goals. There were also academic scrolls presented to all students by their Form Teachers as well as certificate presentation to good performers in the Preliminary Examinations. The audience was also treated to a splendid performance by our talented Meridian staff. Parents, staff and students enjoyed a sumptuous feast after the programme came to an end. This event surely will not be forgotten for a long time.

A blue-tinted illustration of a school scene. In the background, there's a school building with a large archway. In the foreground, a group of diverse students are depicted in various activities: some are running, some are playing sports (like a boy with a basketball), and others are carrying books or bags. The overall atmosphere is energetic and celebratory. Overlaid on the center of the image is the text "CLASS OF 2017" in a large, white, stylized font.
