Programme(s) (to
be confirmed)

- *There are a total of 2-3 BIND opportunities planned for each cohort.*
- *Each student can participate in BIND only once.*

Bali Internationalisation Leadership Programme

Objectives

- Students should aim to be **critical, independent thinkers** who should **be globally aware**, and be able to **make links and apply** what they have learnt.
- Students should aim to gain better understanding on the **interconnectedness** among groups of people, and between people and their environment.
- Students should be **collaborative learners**, as they work together to better themselves individually and as part of a learning community.
