**GET STARTED**

Estimated 10 mins to complete

**HEALTH ADVISORY**

**You are considered fully vaccinated against COVID-19 if you have had:**

- 2 doses of **Pfizer-BioNTech / Comirnaty**, at least 21 days apart
- 2 doses of **Moderna / SpikeVax**, at least 28 days apart
- 3 doses of **Sinovac-CoronaVac**. The second dose should be 28 days after the first dose and the third dose should be 90 days after the second dose.

**COVID-19 vaccine is currently not recommended for**

- Individuals below 5 years of age for the Pfizer-BioNTech / Comirnaty vaccine
- Individuals below 18 years of age for the Moderna / SpikeVax and Sinovac-CoronaVac vaccines

**Postpone your appointment if you**

- Are unwell or had a fever in the last 24 hours
- Are serving Stay-Home Notice (SHN)<sup>1</sup>, Quarantine Order (QO), Isolation Order (IO)<sup>2</sup>, or received a Health Risk Warning (HRW)

You are encouraged to defer other vaccinations for 2 weeks or more, if possible.

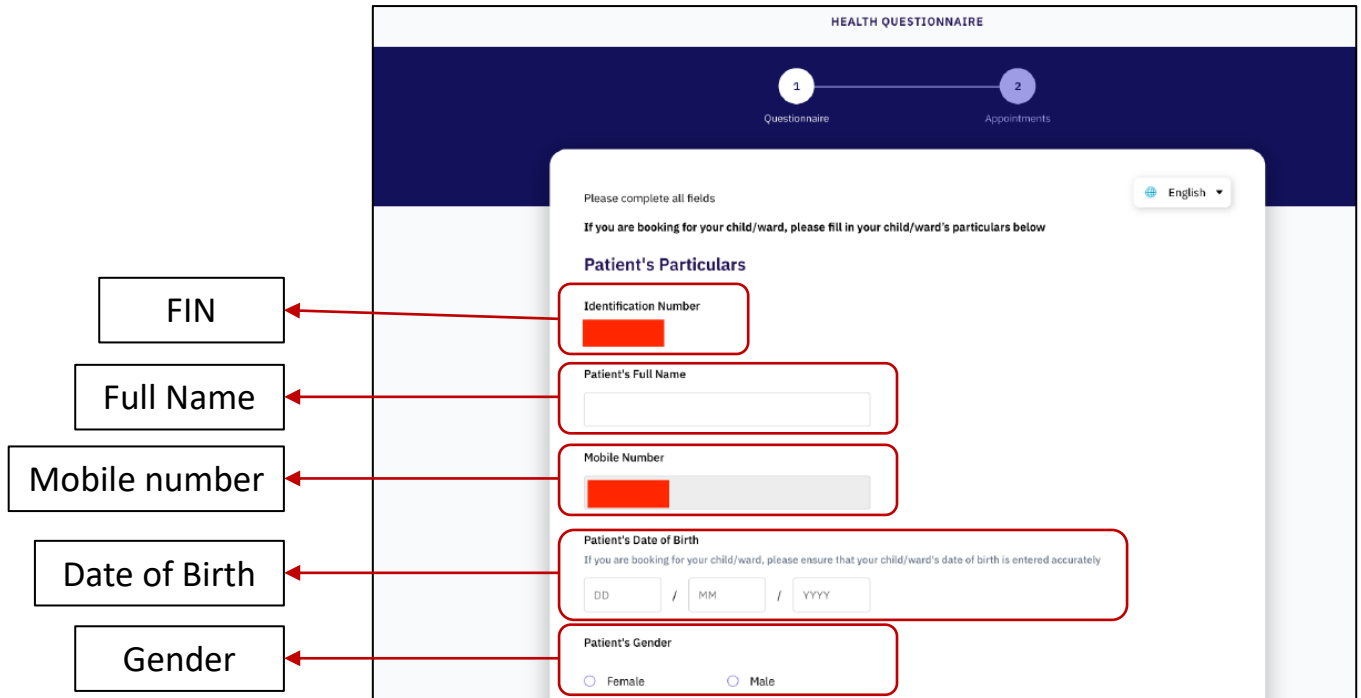

Persons who are moderately to severely immunocompromised are recommended to receive a third dose of the same PSAR mRNA vaccine they had received for the first two doses, two months after their second dose. They should be referred to receive the third dose by their treating specialist, who would have the best understanding of their medical condition. For more information, please refer to the [FAQ](#).

<sup>1</sup> This is not applicable for persons under the vaccination channels for Overseas Singaporeans

<sup>2</sup> Persons under IO who have not completed their primary series may resume their vaccination regime 90 days from their date of diagnosis

## STEP 3

Submit your answers for the Health Questionnaire.

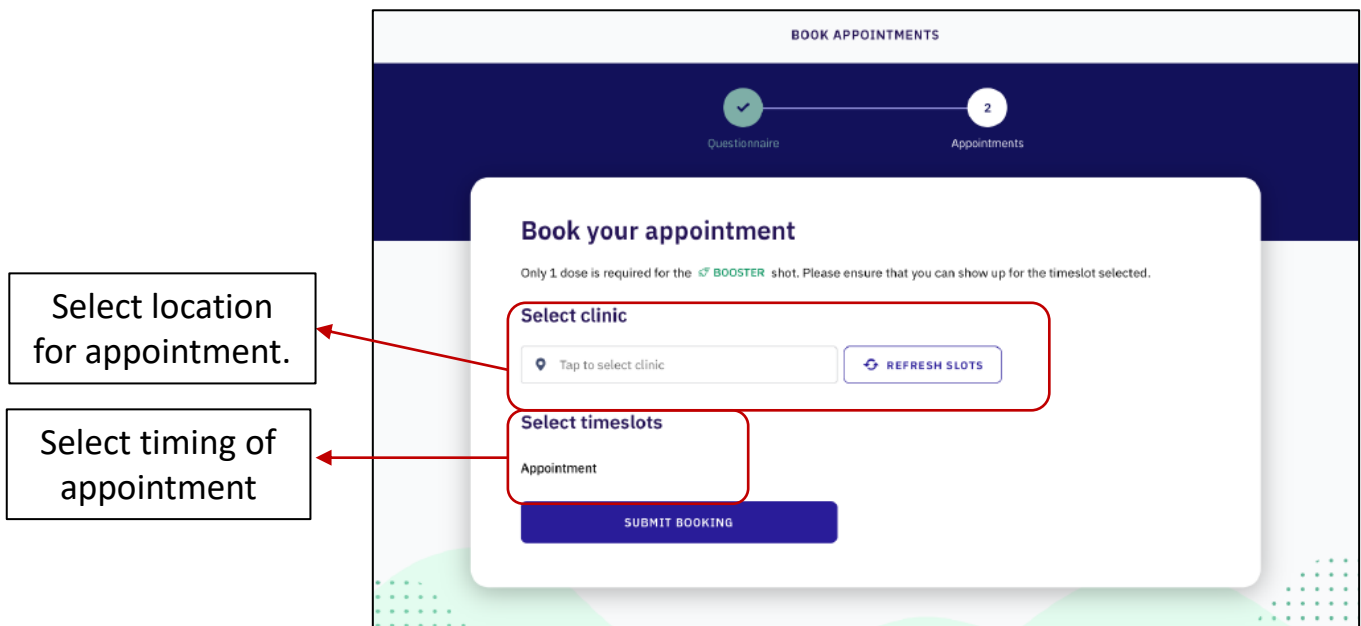

The screenshot shows the 'HEALTH QUESTIONNAIRE' form. At the top, there is a progress bar with two steps: '1 Questionnaire' (active) and '2 Appointments'. The form title is 'HEALTH QUESTIONNAIRE'. Below the title, there is a language selector set to 'English'. The main heading is 'Please complete all fields'. A sub-heading reads: 'If you are booking for your child/ward, please fill in your child/ward's particulars below'. The section is titled 'Patient's Particulars'. It contains the following fields:

- Identification Number (with a red box around it and a label 'FIN' pointing to it)
- Patient's Full Name (with a red box around it and a label 'Full Name' pointing to it)
- Mobile Number (with a red box around it and a label 'Mobile number' pointing to it)
- Patient's Date of Birth (with a red box around it and a label 'Date of Birth' pointing to it). The date is entered as DD / MM / YYYY.
- Patient's Gender (with a red box around it and a label 'Gender' pointing to it). The options are Female and Male.

## STEP 4

Proceed to schedule or re-schedule the booster dose appointment. (See screenshots below.)

The screenshot shows the 'BOOK APPOINTMENTS' form. At the top, there is a progress bar with two steps: '1 Questionnaire' (completed, marked with a green check) and '2 Appointments' (active). The form title is 'BOOK APPOINTMENTS'. Below the title, there is a sub-heading: 'Book your appointment'. A note reads: 'Only 1 dose is required for the  BOOSTER shot. Please ensure that you can show up for the timeslot selected.' The form contains the following fields:

- Select clinic (with a red box around it and a label 'Select location for appointment.' pointing to it). The field has a placeholder 'Tap to select clinic' and a 'REFRESH SLOTS' button.
- Select timeslots (with a red box around it and a label 'Select timing of appointment' pointing to it). The field has a placeholder 'Appointment'.

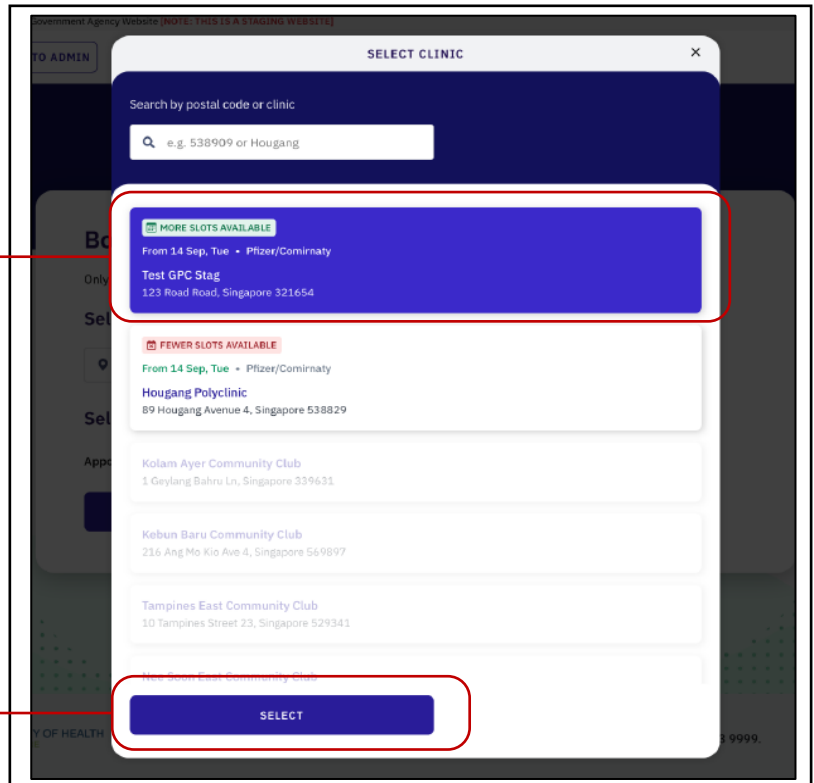

At the bottom of the form is a blue button labeled 'SUBMIT BOOKING'.

#### HEALTH ADVISORY

**You are considered fully vaccinated against COVID-19 if you have had:**

- 2 doses of **Pfizer-BioNTech / Comirnaty**, at least 21 days apart
- 2 doses of **Moderna / SpikeVax**, at least 28 days apart
- 3 doses of **Sinovac-CoronaVac**. The second dose should be 28 days after the first dose and the third dose should be 90 days after the second dose.

**COVID-19 vaccine is currently not recommended for**

- Individuals below 5 years of age for the Pfizer-BioNTech / Comirnaty vaccine
- Individuals below 18 years of age for the Moderna / SpikeVax and Sinovac-CoronaVac vaccines

**Postpone your appointment if you**

- Are unwell or had a fever in the last 24 hours
- Are serving Stay-Home Notice (SHN) <sup>1</sup>, Quarantine Order (QO), Isolation Order (IO) <sup>2</sup>, or received a Health Risk Warning (HRW)

You are encouraged to defer other vaccinations for 2 weeks or more, if possible.

Persons who are moderately to severely immunocompromised are recommended to receive a third dose of the same PSAR mRNA vaccine they had received for the first two doses, two months after their second dose. They should be referred to receive the third dose by their treating specialist, who would have the best understanding of their medical condition. For more information, please refer to the [FAQ](#).

<sup>1</sup> This is not applicable for persons under the vaccination channels for Overseas Singaporeans

<sup>2</sup> Persons under IO who have not completed their primary series may resume their vaccination regime 90 days from their date of diagnosis
