

# GREEN GROVE

## AUGMENTED REALITY BOOKS

## Introduction

Welcome to Choa Chu Kang Public Library! We hope you're enjoying your visit here. This book is part of the offerings in the Green Grove - a feature unique to Choa Chu Kang Public Library, the Green Grove offers a repository of information related to nature and sustainability, presented in unique formats.

In this book, you will find extracts from some books in our library's collection. We have created 3D content that will bring these books to life. What are you waiting for? Download our app by scanning the QR code, and watch these pages come to life!

<https://go.gov.sg/ar-books-app>

When you've checked out all the content, feel free to hunt down the full books in our public libraries to learn more about the topics covered by each book.

Can't get enough of our AR content? Download our other AR app and go on a learning trail through Choa Chu Kang Public Library!

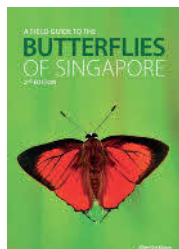

<https://go.gov.sg/cckpl-ar>

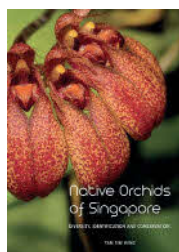

Don't forget to check out the Green Grove for some of our other exciting offerings like the hydroponics showcase and live statistics display.

# BOOKLIST

This is the list of books from our collection that we have created AR content for. Find the parts of the book that have AR content in this mini-booklet! If you want to learn more, you can then pick up the actual books in our library.
