19	I've recently hired a PMET who was previously on the CCP for SME Executives with another SME. Am I still eligible to participate in this CCP and qualify for the salary support?				
	participate in (	CCP for SME Execu	ME and their newly-hired PMET would tives and qualify for salary support ling career conversion requirement.	-	
20	If my newly-hi	red PMET leaves m	y company before the completion o	f the 3-month OJT	
	can I hire a replacement? Am I still eligible for the salary support?Yes, SMEs may do so and can still benefit from the salary support. However, SMEs are				
	required to send their new replacement PMET for the 3-day workshop and will have to restart				
	and complete the three-month OJT with the new replacement PMET, in order to be eligible				
21	for the salary support.				
21	What if my newly-hired PMET leaves before the completion of the 3-month programme and I do not wish to replace the PMET. Am I still able to receive the salary support?				
	If the PMET leaves before the completion of the 3-month programme, the salary support				
	would be pro-rated up to the individual's last working/training day of the month. Hence in				
	this case, the coy will still get the pro-rated salary support. However, the company will need				
22	to ensure that the 3-day workshop has been completed. Can our PMET or SME Supervisor attend any make-up classes in the event that		at that		
<i>L L</i>	they are unable to complete the entire workshop run due to work exigencies?				

	SMEs are strongly encouraged to complete the training within the same workshop run, SMEs can work with the Programme Manager to arrange for their staff to attend make-up classes (if available). If either the SME supervisor or the PMET is unable to attend the Day 3 joint facilitative workshop, both of them will have to arrange a session so that both parties can attend the workshop. Salary support for the programme will only be disbursed upon successful completion of both the OJT and the workshop.		
23	When would salary support commence?		
	Salary support will start when the OJT training commence, and will only be disbursed after the OJT and the workshop are successfully completed.		
24	If my supervisor has attended through Day 3 of the workshop (i.e. joint facilitative session between PMET and SME supervisor) for my previous PMET hire under this programme, would my supervisor have to attend it again for the next hire under this programme?		
	Yes, for each new hire, their direct supervisor would need to attend the Day 3 of the workshop. This will help the new hire to communicate with their supervisor and align on work expectation and integrate better into the SME.		
25	Does the supervisor attending Day 3 of the workshop have to be the direct supervisor of my newly-hired PMET?		
	Yes, he/she has to be the direct supervisor of the newly-hired PMET. During the 3-month OJT, the direct supervisor is expected to work closely, be in constant communication with the PMET and be cognizant of the PMET's performance so that he/she will be able to evaluate the PMET's performance at the end of the programme. The workshop will assist to build up the SME supervisor's abilities in this aspect.
