PARADE SINGAPORE

Chingay 2024 BLOSSOM

Singapore's annual Chingay Parade began as a humble street procession in 1973 to keep the festive atmosphere of the Chinese New Year, in compensation for the ban on firecrackers. Today, Chingay has become a uniquely Singaporean tradition which reflects our vibrant and multicultural society. The past five decades have seen Chingay evolved with creative and innovative concepts, powered by the passions, dreams and aspirations of the people.

Experience the floral festivities of Chingay 2024 as performers and individuals come together like petals unfurling and blossoming to light up this annual night parade. Be enthralled by Singapore's longest floor projection ever for a street parade interlaced with creative graphics, special visual effects and interactive elements for an unrivalled parade experience in this beautiful Chingay garden! Theme "Blossom", flowers will be the central motif throughout the parade consisting of six acts with different flowers showcasing different aspects of Singapore's rich tapestry of culture and traditions, and narrated by two main characters — the Gardener and the Flower Fairy.

ACT 1 ROCK LYRICS

(Verse)

Found our way to fight against
Crashing tides the island stands
Lost then we were found again
Grew the roots from barren lands
That we had conquered on our own
Step by step we blossomed from the stone

(Chorus 1)

Show me
From a sea full of scars
Show me
They can't tear us apart
Show me
How we blossomed to stars We came so far
Oh how we've blossomed Oh oh oh...
Oh oh oh...
Oh how we have blossomed
Oh oh oh...
Oh oh oh...
Oh how we have blossomed

(Chorus 2)

Painting the skies with colours
Paving the ground with the flowers
We've grown
Oh oh oh
Oh oh oh
We came so far
Oh how we've blossomed

(Repeat Chorus 2)

(Rap)

See how we blossomed
Straight from the roots that we planted
Don't take it for granted The effort the dream
A vision we've seen
A paradise that we started
Never will taint the name
The cards that we played
The road that we paved
Sacrifices for the new generations
Forever we'd do it again
Why don't you...
Show me
Pushing the boundaries ain't nobody gonna
topple me
Show me
Been in the heart of the city
The sky is the limit
Show me
Breaking out bigger and better
I know that you see
We came so far
Oh how we have blossomed

(Interlude)

Tell them we blossoming up to the sky now
Reaching out even when knocked down
Together we screaming out
Oh how we've blossomed
Conquering all of our fears
Through all the sweat and the tears
Show 'em that
We came so far
Oh how we've blossomed

(Guitar Solo)

(Keyboard Solo)

(Bridge)

Blossomed from the start
Look where are
Blossomed in the fire Ignite a spark Oh oh oh...
Oh oh oh...
Oh oh oh...
Oh oh oh...

(Final Chorus)

Blossomed from the start
Look where are
A vision we've seen
A paradise that we started
Blossomed in the fire
Ignite a spark
The road that we paved
Sacrifices for the new generations
Painting the skies with colours
Painting the skies
Paving the ground with the flowers
We've grown
We've grown
Oh oh oh... Oh oh oh...
We've come so far
Oh how we've blossomed

Flowers

(Verse)

We were good, we were gold
Kinda dream that can't be sold
We were right 'til we weren't
Built a home and watched it burn

(Bridge)

I didn't wanna leave you
I didn't wanna lie
Started to cry, but then remembered I

(Chorus)

I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand
I can take myself dancing
And I can hold my own hand
Yeah, I can love me better than you can

(Chorus)

I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand
I can take myself dancing
And I can hold my own hand
Yeah, I can love me better than you can

Uh oh
I can love me better than you can
I can love me better (I can, I can)

ACT 3 JAZZ LYRIC

La Vie en Rose

(Verse 1)

Hold me close and hold me fast
The magic spell you cast
This is la vie en rose
When you kiss me heaven sighs
And though I close my eyes
I see la vie en rose

When you press me to your heart
I'm in a world apart
A world where roses bloom
And when you speak, angels sing from above
Everyday words seem to turn into love songs
Give your heart and soul to me
And life will always be la vie en rose

(Verse 2)

Hold me close and hold me fast
The magic spell you cast
This is la vie en rose
When you kiss me heaven sighs
And though i close my eyes
I see la vie en rose

When you press me to your heart
I'm in a world apart
A world where roses bloom
And when you speak, angels sing from above
Everyday words seem to turn into love songs
Give your heart and soul to me
And life will always be la vie en rose

Found our way to fight against
Crashing tides the island stands
Lost then we were found again
Grew the roots from barren lands
That we had conquered on our own
Step by step we blossomed from the stone
Show me
From a sea full of stars
Show me
They can't tear us apart
How we blossomed to stars
We came so far

Oh how we have blossomed
Painting the skies with colours
Paving the grounds with the flowers we've grown
Oh woah oh woah
We came so far

See how we blossomed
Straight from the roots that we planted
Don't take it for granted
The effort the dream
A vision we've seen

TRANSITION TO ACT 2 LYRICS

O young ones, how you shine,
Your pretty smiles all in a line,
Grow up strong and grow up tall, My fairy dust on you will fall.
And you will stand up tall and proud of it all.
Through the tough times you will cope, not once will you bawl.
Young ones, your life you'll define,
The future, you'll embrace, and you'll shine.
O young ones, you will grow brave and strong.
And life will be a sweet song.
Young ones, your life you'll define,
The future, you'll embrace, and you'll shine.
O young ones, you will grow brave and strong.
Sing life's song.
O young ones, how you shine,
Small and tough, steel of spine.
O young ones, how you shine.
O young ones, how you shine.
