# CIN Schools Booth Schedule 27<sup>th</sup> May 2023, Saturday

Timeslot	School	Booth description
2:00PM TO 4:00PM	Mee Toh School 	Our Inter-disciplinary Project Work and Values-in-Action curriculum engages Primary 2 students in learning about the biodiversity around them through eco-trails. They share what they have found about the existing biodiversity in school with their peers. Nature Lovers' Club students meet on a weekly basis to learn about local biodiversity and spread awareness on local biodiversity.
4:00PM TO 6:00PM	PCF Sparkletots Preschool @ Paya Lebar Blk 23 (KN) 	Our booth will be showcasing children's effort and learning journey on Biodiversity. There will be a mini game for visitors to participate at the booth.

# CIN Schools Booth Schedule 28<sup>th</sup> May 2023, Sunday

Timeslot	School	Booth description
10:00 AM - 12:00 PM	Agape Little Uni @ Gambas 	As part of our school's term 2 inquiry on "Sharing the Planet", the children in our school explored on our Earth's biodiversity and how we humans are responsible in supporting and sustaining our biodiversity. Hence, this booth will showcase the children's learning and the actions they have taken to protect and sustain our biodiversity.
12:00 PM - 2:00 PM	Yuvabharathi International School 	Our students will share about their experience of their Biodiversity journey in the school, together with NParks, in making Singapore one of the greenest cities in the world. Join us to test your observation skills at our booth!
