Calling to all parents/guardians!

At Children's Museum Singapore (CMSG), we're looking for child ambassadors to take ownership of a space that is specially created for them.

As our Little Ambassadors, they will welcome visitors and show them around the galleries and outdoor activities during CMSG's launch this December. Your child will get to experience and explore the museum before its official opening!

Do sign up if your child/ward is a Singaporean or a Singapore PR between ages 8 to 11 years old.

Please send us a one-minute MP4 video (in landscape format) using the script as follows (feel free to dance and add gestures).

===//=====

**Hi, I'm [child's name]**

**I've signed up to be an ambassador of Children's Museum Singapore.**

**I look forward to helping at the museum's opening this December together with other children.**

**Come, follow me!**

**Let me show you around the museum.**

**Join us this December at Children's Museum Singapore. See you there!**
