

WHAT TIME IS IT?**INSTRUCTIONS FOR "WHAT TIME IS IT?":**

1. Cut out the clock face and paste it on a sturdy backing (e.g. paper plate).
2. Cut out the hole in the center and place a stick or pencil through the hole and backing.
3. Direct the light source at different angles to show the "clock hand" shadow at different times.
4. Ask the children to record three timings they observe based on the activity.

_____ 'o' clock _____ 'o' clock _____ 'o' clock
