ROSETTE CRAFT

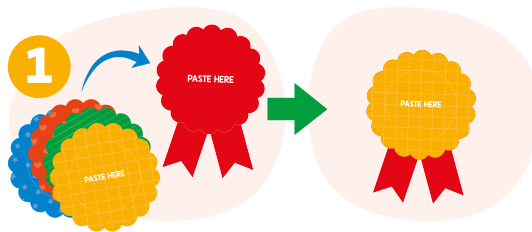

CELEBRATING OUR GRANDS

OCT
2023

Celebrating Our Grands is an annual campaign to encourage our young to honour and appreciate their grandparents or elderly family members through instilling in them the four core family values of love, care and concern, commitment and respect.

Let's make our grands feel loved and appreciated by giving them a unique rosette gift with a personalised message.

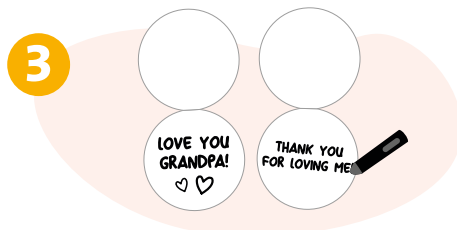

Print the pages and follow the steps below!

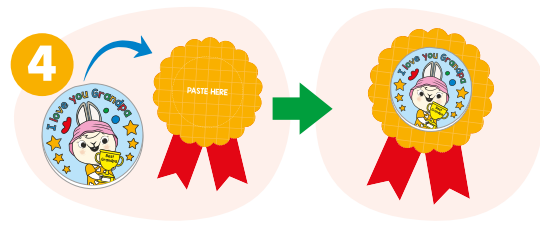

Paste a circle card onto the rosette base.

Colour the Becky Bunny colouring card.

Write or draw a thank you message to your grands on the inside of the card.

Using the dotted lines as a guide, paste the completed card onto the rosette.

Design the rosette with the decorative cutouts provided.

Great job! Let's give the rosette to your grands to show how much you love and appreciate them!
