A GREAT START TO PRIMARY SCHOOL

VISION

LEARNERS WITH GRIT, CITIZENS WITH HEART

MISSION

CARING AND INSPIRING

I N t e g r i t y

I will do the right thing even when no one is watching.

I will keep my promise.

I will speak the truth at all times.

S e l f - d i s c i p l i n e

I will complete and submit my work on time.

I will stay focused during lessons.

I will manage my emotions and act appropriately.

P e r s e v e r a n c e

I will always do my best.

I will continue to stay determined even when I face challenges.

I will improve on my weaknesses and work on my strengths.

I N S P I R E V A L U E S

I n c l u s i v e n e s s

I will learn, work and play with others.

I will value the opinions of others even if they are different from mine.

I will treat everyone fairly and equally.

E m p a t h y

I will put myself in the shoes of others.

I will consider the feelings of others.

I will lend a helping hand to those in need.

R e s p e c t

I will take care of myself.

I will use kind words when speaking to others.

I will look after school property and keep the environment clean.

Supporting our Student's Development

Three key messages this afternoon

1. Joy of Learning in GESPS
2. Practical tips for parents to support your child
3. Establishing a strong school-home partnership

P4 Learning Journey to Citysprouts@Henderson

Orientation Week

P1 and P4 Buddy Programme

P3 Signature Programme: SEA Aquarium

Learning extends beyond the textbook as P3 GESPIans will be awed by the diversity of marine wildlife and gain an understanding on the importance of marine conservation.

P4 Signature Programme: Kidzania!

The P4 GESPIans will go to KidZania as part of their Signature Programme. It combines inspiration, fun and learning through realistic role-play as they explore different careers and the concept of managing money.

2. Practical tips for parents to support your child

“Prepare the child for the path,
not the path for the child”

- John Scardina

Ignite the Joy of Learning

What we can do to help our children **find joy, wonder and passion in learning?**

1. Get them **intrigued**

2. Keep it **fun**

3. Show your **passion**

Support your child's CCA participation

CCAs provide students with a platform to:

1. Learn **teamwork, leadership** skills and build their **self-esteem**
2. Be in a supportive environment where they can fail safely and **learn to pick themselves up**
3. Make **friends** beyond their class and better appreciate the diverse strengths of others around them

Managing Device Usage

Compulsive use of smartphones can affect our sleep, relationships, productivity and health.

(Sumiko Tan, The Sunday Times, 12 Jan 2020)

Important to manage usage of mobile phones (games, social media), PC (Youtube), Xbox/ PS etc.

How much sleep does a kid need?

School-aged children (5 to 12 years old) need 9 to 12 hours of sleep each night, says pediatric sleep specialist [Vaishal Shah, MD](#). But many children get only 7 to 8 hours per night — sometimes even less.

Studies have linked sleep deprivation with [mood swings](#) and [reduced cognitive function](#), including concentration difficulties, [lower test scores](#) and a drop in overall [school performance](#). Poor sleep also is associated with poor eating habits and [obesity](#).

Navigating the Cyber World Safely

Three C's of good media use for children:

Content

Be choosy about the Content that your children are looking at

Context

Be aware of the Context and ensure that it is balanced with activities like outdoor play

Child

Be alert to the needs of the Child; Some need more limitations, while others need more face time with their parents to talk through what they see on screen

3. Establishing a strong school-home partnership

Our children do best when schools and parents work hand in hand to support them.

By having good home routines, you
are setting your child up for life.

Set up a conducive home environment
for your child to learn effectively.

If you do your child's homework, he/she will lose the opportunity to learn.

If you keep going to the teacher for daily updates, your child will miss the chance to learn about responsibility.

By letting your child forget, you
are helping him/her remember.

Ask the teacher for the best way
to contact him/her.

Respect the teacher's time, contact the
teacher during school operating hours only.

Familiarise yourself with the Students' Handbook

- Check student handbook daily
- School expectations and rules (Pg 12-15)
- Acceptable use of technology policy agreement (Pg 16)
