Park Kaki

David Wirawan, Photographer

Gina Soh, Entrepreneur

Alice Goh, Entrepreneur

Sook Neo, Homemaker

Lau Ee Ling, Civil Defence Officer

Team Park Kaki Re:imagined Choa Chu Kang Park as a space that enables city folks to **come together and interact with nature**. This encompasses initiatives to increase awareness about biodiversity and natural heritage of the area, as well as providing more opportunities for camping and sharing horticulture knowledge within the community.

Social Tech Farmer

Team Social Tech Farmer has Re:imagined an open green plot of land beside Pang Sua Park Connector as an urban farm. With nature as a medium, they hope to promote community and intergenerational bonding between the people of different age groups living in Yew Tee.
