APPLIED LEARNING PROGRAMME (ALP)

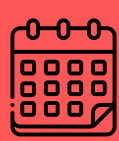

SUGGESTED HOLIDAY EVENTS

WHAT IS OUR ALP ABOUT?

At Xishan, our ALP seeks to nurture innovation and creativity in our students. At the Lower Primary level, students build confidence and develop presentation skills through Choral Recitation and Readers' Theatre.

For the upcoming June holidays, we have specially curated a few events that are complementary to our current ALP learning outcomes.

TABLE READ - MAKE SOME NOISE!

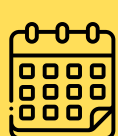

When a demanding director decides that sound effects are absolutely necessary at a table read, it's up to those present (audience included) to help fill in the gaps. *Ugh* *Gulp* *Eek!*
