Mode of Assessment

➤ In-Course Assessment

- Class Test
- Phase test
- Project
- Oral Presentation

➤ End Course Assessment

- Written Examination

Clinical Practice

➤ Clinical Practice I (Year 1) - 10 weeks

- Medical : 4 weeks
- Surgical : 2 weeks
- ILTC/LTC : 3 weeks
- Rehabilitation : 1 week
(Eldercare Centers)

➤ Clinical Practice II (Year 2) - 9 weeks

- Medical : 5 weeks
- Surgical : 2 weeks
- Psychiatric : 1 week
- Community health:
1 week (Polyclinics)

➤ PECP (Year 2) - 9 weeks

Possible Challenges

- Back to school & books – “so scary! so stress!”
- Demands of training & long hours:
“Study...study...study...and more STUDY!”
- IT...! High tech...! Online....! E-learning...!
- Stamina, concentration, and memory
- Role identity, role confusion, role models – as matured students.
- Respect & Teamwork – Studying with younger peers.
- Challenges from family, spouse, children
- Channels of communication – Constructive feedback always preferred
- Being sponsored. Feedback to sponsors.

Don't fear failure so much that you refuse to try new things. The saddest summary of a life contains three descriptions: could have, might have, and should have.

Louis E. Boone
American Author

Move out of your comfort zone. You can only grow if you are willing to feel awkward and uncomfortable when you try something new.

-Brian Tracy

Never stop learning,
because life never
stops teaching.
