

Tech for Good Champions and Emerging Tech Specialists

FAQs

1) How many Leadership points will the Emerging Tech Specialist and Tech for Good Champion receive under the LEAPS framework?

They would attain Level 4 for Leadership at upper secondary.

2) Can I appoint a 2IC role for the Emerging Tech Specialist and Tech for Good Champion?

This will be up to the school and such an assistant leadership role can be created at the HOD CCA's discretion. Such a decision is contingent on the size of the CCA and the amount of work that potential appointees will be required to carry out.

3) How long is the appointment for each of the roles?

Student leaders are expected to serve for two years, beginning with their appointment and training in Secondary 2 till the end of their Secondary 3 year.

4) What is the difference between these two new roles and that of the Chairperson and Vice-Chairperson?

The two new roles are specialised in nature with specific portfolios in their respective domains. They have been created to give your club members greater opportunities to serve and grow as individuals.

5) Can my club only appoint a single student to one of the roles only?

It is highly encouraged that schools adopt both roles as they serve to embody what Infocomm Media Clubs are about; experiencing and representing tech as well as using tech to do good and empower others.
