# MK CURRICULUM

Designed by MOE curriculum specialists and educators with knowledge and experience in early childhood education and primary school curriculum

Based on the beliefs and principles in the Nurturing Early Learners Framework, developed by MOE, to guide quality kindergarten teaching and learning of children in Singapore

# MK CURRICULUM DESIGN PRINCIPLES

Children are joyful, curious, active & competent learners who play, learn and grow with others in a diverse and multi-cultural community

Holistic development through an integrated approach to teaching and learning

Learning through quality interactions & purposeful play

# MK CURRICULUM

-  Two flagship programmes:  
**HI-Light Programme** and **Starlight Literacy (English and Mother Tongue Languages) Programme**
-  Activities organised around **four broad themes and relevant topics**
-  Activities with a **distinctive Singapore flavour**
-  **Weeks of Wonder (WoW)** projects which encourage self-motivated learning through exploration and discovery

# MK CURRICULUM

# MK HI-LIGHT PROGRAMME

The **HI-Light Programme** is designed to support the **holistic development of children** by nurturing in them **values, social and emotional skills and learning dispositions**, as well as **knowledge and skills across the following five learning areas through an integrated approach**:

1. Aesthetics and creative expression
2. Discovery of the world
3. Health, safety and motor skills development
4. Language and literacy
5. Numeracy

# MK STARLIGHT LITERACY PROGRAMME
