

MOBILE ACCESS FOR SENIORS

Affordable Smartphones and Mobile Plans

Mobile Access for Seniors is a scheme that supports the Seniors Go Digital programme. It provides subsidised smartphone and mobile plan to lower-income seniors who want to go digital, but cannot afford them.

Eligibility Criteria

Individuals who meet the eligibility criteria, and have attended IMDA's Seniors Go Digital – Learning programme¹ to pick up at least one (1) basic digital skill:

- ✓ 60 years old and above²
- ✓ Current beneficiary of the selected government assistance scheme:
 - MSF's ComCare Long Term Assistance
 - MSF's ComCare Short-to-Medium Term Assistance
 - HDB's Public Rental Scheme
- ✓ Singapore Citizen
- ✓ Not an existing Home Access beneficiary who received a smartphone

¹ Does not include online learning modes.

² Based on birth year

Mobile Access Plans

Eligible seniors may enjoy the following subsidised products and services:

- ✓ 2-year mobile plan, at \$5.00 per month
- ✓ Smartphone, starting from \$20.00 (1-time cost).

The subsidised plan will come with:

- ✓ Free SIM card registration
- ✓ Free caller ID
- ✓ Unlimited incoming local calls
- ✓ Continued mobile data connectivity with no excess data charges
- ✓ Other value-add services such as mobile security
