

The Historical Scene Investigation (H.S.I.) Challenge is an annual contest organised by the National Library, Singapore, which promises an exciting experience for students to put their historical inquiry and research skills to the test. This year's contest is aligned to the *Human x Nature: Environmental Histories of Singapore* exhibition at the National Library, which explores the relationship between humans and the natural world throughout Singapore's history.

### Registration

The competition is open to all **lower secondary students**.  
Each school can send **one** team comprising **4 members**.

Register by emailing **[sure@nlb.gov.sg](mailto:sure@nlb.gov.sg)**
