STEPS FOR FAMILY MEMBER(S) TO GIVE CONSENT ONLINE

After submitting your application online, any family member(s) staying at the same address will receive a SMS/email notification to inform them to provide their consent on use of personal information with their Singpass.

1

Go to www.digitalaccess.gov.sg

2

Click on 'For Applicant'

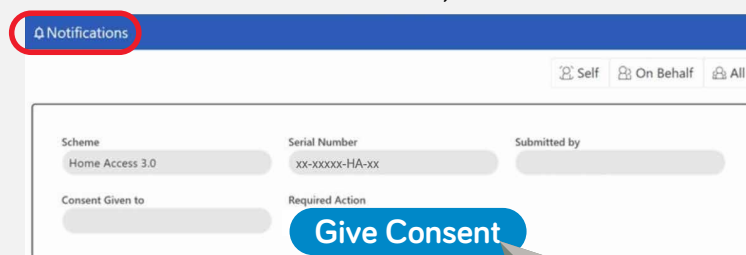

3

Family member(s) will need to log in via Singpass

4

Under the 'notification' section, click Give Consent

If you are the parent or guardian who is giving consent on behalf of family members age below 21 years old, log into the e-form with your Singpass account and click on **Give Consent on Behalf** in the 'Notifications' section.

A notification letter on the application outcome will be mailed to the main applicant.

Applicants can check their application status on www.digitalaccess.gov.sg.

If a family member is unable to login via their Singpass to give their consent, please contact IMDA for assistance.
