What's In Your School Bag?

Help your child develop the good habit of packing their bag before school. Chat about what goes in each day and how to check that they have everything they need. When they are ready, let your child try packing their bag on their own.

Here are some questions you can ask:

What should you bring to school every day?

- ☐ My pencil case
- ☐ School Diary
- ☐ _____
- ☐ _____

Which books should you bring?

- ☐ Have you checked your timetable?

Anything else?

- ☐ Have you checked your School Diary?
- ☐ Have you packed your homework?
- ☐ Did your teacher give you any forms for me to read or sign?

What should you bring to school on Mondays? Draw the items in your school bag

Daily Packing List

1. Pencil case with pencil, ruler and eraser
2. A box of coloured pencils
3. A storybook
4. A water bottle
5. Healthy and dry food for snack breaks in class (e.g. *biscuits*)
6. Money for recess
7. Student Handbook
8. Nametag with lanyard
9. Pack books as indicated in the handout for first three days, thereafter, follow the time-table.

- Call the General Office and leave a message for your child/ward Form Teacher.
- Remind your child/ward to pass the MC or letter to their Form Teacher when he/she is back in school.

Supporting your child through the Primary 1 journey

As our young ones develop at different pace, allowing them to learn at their own pace helps them enjoy the learning process.

Supporting your child through the Primary 1 journey

Social Emotional Learning

Social and Emotional Learning refers to the skills that are important for your child's personal and social well-being.

Helping them be ready to learn

Talking about how to make friends

To Serve To Lead

Supporting your child through the Primary 1 journey

Reading

Reading is a habit that we can build in children.
P1 teachers will build on basic word recognition.
You can support by:

Cultivating a love for reading

Take your child to the library and allow them to choose their own books. Read together with them.

Taking small steps

Provide time to see sight words repeatedly. Sight words are the words that appear most frequently in our reading and writing.

Always prepare your child with a book to school every day.

To Serve To Lead

Supporting your child through the Primary 1 journey

Writing

As hand muscles take time to develop and mature, your child does not need to perfect their penmanship upon entering P1.

You can support them by:

Enabling them

Strengthen their muscles through activities like moulding dough, peeling an orange and watering plants with a spray bottle.

Taking small steps

Practise writing and copying on a blank piece of paper first, then on a lined paper when they are ready.

Encouraging them

Some letters like 's' and 'g' are harder to write as they require good finger control to shape. Give them time and praise them as they progress.

To Serve To Lead

Supporting your child through the Primary 1 journey

Note Taking

In school, children may need to copy homework from the board. This requires hand-eye coordination, and some may need more time.

Practising with them

Give them opportunities to copy words/short phrases from a piece of paper placed next to them.

You can support them by:

Working on meaningful tasks

Help them enjoy writing/copying with meaningful tasks such as writing a birthday card or copying your grocery list.

To Serve To Lead

Supporting your child through the Primary 1 journey

Paying attention

Children do better when they stay focused during group learning and complete tasks.

You can support them by:

Doing fun activities which require focus together

Do activities that require focus to complete together (e.g puzzles). Sing songs with movements and repetitions, which can help reinforce memory.

Developing an awareness of time

Help them gauge time by saying, "Let's play for another 10 more minutes and we will go home".

How To Use This Book?

Primary school is an exciting time for all – not just for the kids, but for parents, too!

In this book, you'll find 10 tips for parents – to help you and your child adjust smoothly to primary-school life. Each tip includes activities which you can do together.

As this is an e-version, you may want to download this and print it, and let your child write or draw on paper. If you prefer an environmental-friendly way, screenshot the pages, or download it and use a mobile application for your child to doodle on it.

With your child, pick the activities that you'd like to do. You don't have to do them all!

Use an application and allow your child to doodle on it!

Parent-Child Activity Book Online

Follow instructions

- Help them learn the importance of staying focussed and following instructions e.g., through a simple baking activity.

Check out **page 64-66** of the Parent-Child Activity Book on how to encourage your child to ask for help when needed.

Ask for help when needed

- Encourage your child to ask for help if they need it.
- Teach them when they should ask for help, who to ask help from and how to ask for help e.g., from teachers or fellow classmates.

Learn to be independent

- A big change from pre-school to primary school includes new things your child will have to do independently.
- Provide opportunities for your child to be independent in tasks such as changing their clothes and cleaning up after themselves after an activity.
- Developing these practical skills early can help inculcate an attitude of independence and give them more confidence in their new environment.

Check out **page 59** of the Parent-Child Activity Book on how to guide your child towards being more independent.

Parent-Child Activity Book Online

Interact with others

- Show your child how to say hello to a new friend at school.
- Model good behaviour such as taking turns and saying "please" and "thank you".
- Help them develop self-control and manage their emotions when they lose in a game e.g., musical chairs.

Check out page 34 of the Parent-Child Activity Book on making friends!

Go to the toilet on their own

- Explain to your child why it is important to learn how to go to the toilet on their own and to clean up properly afterwards.
- Let them know that it is okay to ask for help or ask for a buddy to go with them at the start.

Have good personal hygiene

- Remind them to keep their masks on in school unless they are eating and to observe safe distancing. Help them understand the importance of doing so.
- Remind them to keep their hands clean and wash them regularly e.g., before and after meals.

Take care of personal belongings

- Start supporting them in packing their bags for school and remind them to pack only what is needed.
- Guide your child to write their name on their belongings.
- Teach them how to manage their money* so that they can buy food during recess.

* If your child would like to buy something from the bookshop, remind them to ask for permission from you the day before.

Tip: Practise the new routine and route to school. Helping them get used to it earlier may help them feel more prepared.

Check out page 18-19 of the Parent-Child Activity Book to help your child learn what should go in their bag!

Practise Road Safety at School Zone

Enhancing the Safety of School Children

Dear Parents

Children are usually more vulnerable when it comes to using our roads. They may not be fully aware of what to do or look out for. Thus, it is of paramount importance to enhance safety at school zones, and this requires the joint effort of schools, parents, the community and authorities.

As parents, you have a crucial role to play - by being a good role model on safe road use and educating your child on the importance of road safety.

This brochure contains information on how you can play a part to enhance road safety at school zones. It also includes a fun activity that will help your child learn more about road safety.

I hope both of you will enjoy this meaningful activity together!

Thank you for playing a part in enhancing road safety!

Yours sincerely
Karine Jeow
Deputy Director
Service & Resource Management

Guiding your Child

- Set the right example for your child when walking or cycling to school and crossing the road:
- ✓ Use footpaths and designated crossings (e.g. pedestrian crossings, pedestrian overhead bridges).
- ✓ Do not walk between parked vehicles or buses, and be on the lookout for vehicles before turning from a path.
- ✓ Look out for cyclists or personal mobility device riders.
- ✓ Do not rush. Always stop, look out for traffic in all directions and make eye contact with drivers before stepping off a kerb.
- ✓ Be attentive and avoid using gadgets such as mobile phones.

Tips for Parents

Parents and the community have a responsibility to help ensure the safety of children.

To reduce traffic congestion at school zones, consider the following alternatives when ferrying your child to/from school:

- ✓ If your child is taking public transport or the school bus:
 - Stand behind the yellow line when waiting at the bus stop.
 - Do not rush to board the bus; board the bus in an orderly manner.
 - Hold on to the handrails or poles when standing in the bus.
 - Always face forward, hold on to the handrails and do not play when using the escalator.
- ✓ Walk or cycle to school. If you cycle, you are required to install handbrakes on the bicycle and practise these safe riding habits:
 - Wear a helmet for safety.
 - Stop and look out for oncoming vehicles before riding across road crossings.
 - Give way to pedestrians.
 - Go slow or dismount and push your bicycle when approaching crowded areas.
 - Use cycling paths when available.
 - Keep left on paths and alert others before overtaking.
- ✓ Try car/taxi pooling with those staying nearby or en route to your child's school.
- ✓ If you still need to drive, please pick up or drop off your child at a proper parking space (e.g. public car parks) so that your child's and other road users' safety will not be compromised.

Traffic Safety Measures

Keeping children safe at school zones is top priority. Several traffic measures are implemented at school zones to remind motorists to slow down, drive carefully and to look out for children crossing the road.

These include:

- ✓ School zone signs
- ✓ Traffic calming measures such as road humps
- ✓ Pedestrian crossings
- ✓ Parking restriction lines
- ✓ Railings along the road divider
- ✓ "SLOW" and "SCHOOL" road markings
- ✓ Red-textured road surfaces

Communication with Teachers

- Have regular conversations with our teachers in both academic and non-academic areas – this will help you better guide your child's holistic development.
- Ask the teachers for the best way and time to contact them.
- Call the General Office to leave a message for the teacher to call back to make an appointment to meet the teachers
