About PAssionArts Festival 2022

PAssionArts Festival (PAF) is an annual community arts festival organised by People's Association PAssionArts and 89 Community Arts & Culture Clubs (CACCs). With the theme "**Connecting HeARTs, Connecting Us!**" in its 11th year, PAF will span from **1 July to 31 October 2022**, catering to residents of all races and artistic tastes. Through the collective efforts of the CACCs island-wide, PAF will bring a range of vibrant and exciting art elements to the HeARTlands, with fun-filled and enjoyable art programmes catered for the whole family!

The key highlight of this year's national-level art initiative will be the 17 sets of large format canvas art on display at HDB facades island-wide from October 2022 onwards. Co-created by community artists and residents to express their love, aspirations and good wishes for Singapore, this provides opportunities to drive greater art vibrancy and create a unique town identity.

Join us now with your neighbours, friends and family to create vibrant HeARTlands together!
