## THE PURPLE PARADE PLEDGE

We, the people of Singapore,  
pledge our support for the community of  
Persons with Disabilities.

We will embrace our differences  
and celebrate the uniqueness of each individual.

We recognise that all of us  
are equal members of society.

We will promote equal access,  
and full participation of Persons with Disabilities  
in all aspects of life including  
daily living, lifelong learning, employment  
and social participation.

Together, we pledge to be a society where everyone  
will lead dignified and meaningful lives.

## CAMPAIGN

A 10-week long series of online  
and offline initiatives to spread  
awareness about The Purple  
Parade.

## CONTINGENT

A fun and creative Parade  
march-past to celebrate with  
our disability community and  
their supporters.

## CONCERT

Inclusive performances to  
showcase the talents and  
abilities of our disability  
community.

## CARNIVAL

Eat, Play, Shop Together!  
A specially curated marketplace  
of food, games and  
merchandises.

## CONVERSATIONS

Deeper dialogues to promote  
inclusion through sharing of  
personal stories by persons with  
disabilities.

## WHY THE PURPLE PARADE?

Persons with disabilities are  
part of our community and  
should have equal access to  
opportunities and good  
quality of life.

## WHY THE PURPLE SQUARE?

Purple symbolises solidarity  
for persons with disabilities.

Square symbolises equality,  
(equal length on all sides),  
inclusiveness, and strong  
building blocks.
