PARADE SINGAPORE

Chingay 2023

EMBRACE TOMORROW

Singapore's annual Chingay Parade began as a humble street procession in 1973 to keep the festive atmosphere of the Chinese New Year, in compensation for the ban on firecrackers. Today, Chingay has become a uniquely Singaporean tradition which reflects our vibrant and multicultural society. The past five decades have seen Chingay evolved with creative and innovative concepts, powered by the passions, dreams and aspirations of the people.

Chingay Parade 2023 "Embrace Tomorrow" completes the trilogy that began with 2021's "Light of Hope", followed by 2022's "Ignite Our Dreams". It calls on Singaporeans to treasure the present and embrace tomorrow together as a community with hope, dream, and confidence as we commit to a brighter Singapore.

CHINGAY THEME SONG EMBRACE TOMORROW

I'm holding up these walls
My hands are trembling
I can't seem to carry on

The shadows growing closer
Defeat is calling
Can't seem to win at all

Take one step
Find the strength to fly again
So tomorrow can begin

Let 'em steal the echoes in the night
Let em try, my beating heart
won't die
A dawning through the darkness
Embrace tomorrow's light

Let them try to break me down
to dust
I'll build myself again with all
these scars
A glory through the ashes
Embrace tomorrow's sun

Embrace tomorrow's chapters
Embrace What We've become
Embrace tomorrow's answers
I'll embrace tomorrow's sun

Embrace tomorrow's chapters
Embrace What We've become
Embrace tomorrow's sun

Let 'em steal the echoes in the night
Let em try, my beating heart
won't die
A dawning through the darkness
Embrace tomorrow's light

Let them try to break me down
to dust
I'll build myself again with all
these scars
Embrace tomorrow's sun

Embrace tomorrow's chapters
Embrace What We've become
Embrace tomorrow's answers
I'll embrace tomorrow's sun

Embrace tomorrow's chapters
Embrace What We've become
Embrace tomorrow's sun

Let them try to break me down
to dust
I'll build myself again with all
these scars
A glory through the ashes
Embrace tomorrow's sun

EMBRACE TOMORROW (FINALE VERSION)

Embrace tomorrow new beginnings
Facing ya fears we're stronger
as a unit

Uniting every corner of the nation
as one
Stronger when together never leave
till its done the fight has begun

We got culture on the lock
Everything's in place
Embracing every fall
We got what it takes

Embracing tomorrow
Embracing the change
I know you feel lost
But don't be afraid

Oh take one step
Find the strength to fly again
So tomorrow can begin

Embrace tomorrow's chapters
Embrace what we've become
Embrace tomorrow's answers
Embrace tomorrow's sun
(repeat)

I'm holding up these walls
Can't seem to carry on
Let go and brace for the fall
The shadows growing closer
Can't seem to win at all

Take one step
Find the strength to fly again
So tomorrow can begin

Let them try to break me down
to dust
I'll build myself again with all
these scars
A glory through the ashes
Embrace tomorrow's sun

Embrace tomorrow's sun
Embrace tomorrow's sun

Unite through the chaos
Brighten up the sky light up
like a star
From this day on
Confronting every battle to show
who we are
Never backing down in the
record now
How we came together as a nation
Facing every trial every tribulation
Overcoming all the mayhem, any
situation just

Chingay 2023, put your hands up
wanna see you clap with me
(Clap with me yea)
Let's go
Chingay 2023, put your hands up
wanna see you clap with me
(Just clap with me yea)

Let them try to break me down
to dust
I'll build myself again with all
these scars
A glory through the ashes
Embrace tomorrow's sun

Embrace tomorrow's sun
Embrace tomorrow's chapters
Embrace tomorrow's answers
Embrace tomorrow's sun

Let them try to break me down
to dust
I'll build myself again with all
these scars
A glory through the ashes
Embrace tomorrow's sun

Let them try to break me down
to dust
Embrace tomorrow's sun
I'll build myself again with all
these scars
Embrace tomorrow's sun

PROLOGUE - BUNNY MOON PARTY!

We're bunnies, rabbits and hares,
Dancing around with no care.
We skip and we hop,
We jump, we don't stop.
We're bunnies, rabbits and hares.

We're bunnies, rabbits and hares,
Bunny Moon a home that we care.
We party all day,
Dance our troubles away.
We're bunnies, rabbits and hares.

How do you do, hi, my name
is Cute,
Cute as a button that I am.
With plenty of ideas that I
contribute,
Totally adorable, that's my jam.

They don't call me Smart
for nothing,
I'm the brains in here.
Clever, keen, quick-witted
but loving,
I'm Smart and sincere.

Rabbits far and wide,
Call me Boss, and it's alright.
I lead and guide with pride,
I'm generous and I don't bite.

We're bunnies, rabbits and hares,
Dancing around with no care.
We skip and we hop,
We jump, we don't stop.
We're bunnies, rabbits and hares.

Rabbits are you ready!
Come on! 1, 2, 3, Lets Go!

We're bunnies, rabbits and hares,
Dancing around with no care.
We skip and we hop,
We jump, we don't stop.
We're bunnies, rabbits and hares.

We're bunnies, rabbits and hares,
Bunny Moon a home that we care.
We party all day,
Dance our troubles away.
We're bunnies, rabbits and hares.

We're bunnies, rabbits and hares,
Jumping about here and there.
We seemed really happy,
The truth is we're sappy.
Our happiness index we despair.

We're bunnies, rabbits and hares,
Travelling through space,
that we dare.
In Chingay we pop,
Where the fun is nonstop.
We're bunnies, rabbits and hares.

ACT 1 - MAKE IT THROUGH/SHINE LIKE A STAR MEDLEY

Sometimes you can't get
what you want
Not everything in life can be done
Satisfaction for those
who achieved
Without it you know you
won't receive

Shine like a star
Don't keep it a secret
Show who you are
It will earn you a ticket
To shine like a star
To shine like a star

When it was my turn to sing
I'm gonna give it all my best
It's now or never
I'm gonna pass this test

Shine like a star
Don't keep it a secret
Show who you are
It will earn you a ticket
To shine like a star
To shine like a star

Just keep on doing what you're
supposed to
Never let anybody look down
on you
Don't give up and you'll make
it through

To shine like a star
To shine like a star

ACT 2 - SPIRIT EMPOWER

Where am I?
Whats going on?
Whats happening?

No no wait wait why am i here
Wait no I can't be
Let me out (you're trapped, you're
trapped, forever)

Riddled through the streets
Problems seeps through
the crevices
Bracing for increase
c'est la vie to the average
What we gotta pay

Cold, left in a void of unknown
Harrowing, hollow
Triumph peeks at me from
the horizon

Release myself from these grips
I want to escape
I need to escape

Tough time's they got the anxious
Stay holding me back
Yeah
Faces now unrecognized
Uncertainties intact
Now I'm looking through
every pocket
Up in my head for different process
How can I guarantee I never fall in
predicaments facing an imminent
conquest

I was lost but now I'm found
All the time I've wasted now
Got to push through all the chaos
I have to stand my ground

I feel it glooming through the streets
I let it beat me to my knees
Nothing's gonna stop me now
I'm fighting till im free

Find escape I can't take another
moment here
Shrouded darkness every light
has disappeared
Break outta this void gotta
let it shine
Overcoming obstacles till
victory's in sight

Yeah, everybody!
Put your lights up
Let me see your hands
Put your lights up
Let me see you hands
Let's go!

Lights in the air
Let your spirit empower
Brighten up a path taking back
What's ours
(repeat)

Fighting the pressure
And nothing can stop me
Outta the shadows people
around me
Back on their feet
Making their peace

Hearing the cheers all around me
Made it out stronger
Now nothing can break us
The future will speak about us
We did the impossible
Now with your pride i need you
put all ya

Lights in the air
Let your spirit empower
Brighten up a path taking back
whats ours
(repeat)

Lights in the air
Let your spirit, let your spirit
empower!
Put your hands up
Put your hands up
Taking back what's ours

Nothing can stop me
People around me
Making their peace
Hearing the cheers all around me
Made it out stronger
The future will speak about us
We did the impossible
Taking back what's ours

COMMUNITY ART INSTALLATIONS

CONTAINER ART INSTALLATION

Standing 18 metres high, and spanning over 60 metres, the Container Art Installation is made up of 28 20-footer and 40-footer containers, designed and conceptualised by Sam Lo. It is co-created by 480 youths and is the largest-ever Community Art installation at the Chingay parade. The Container Art Installation serves as a performance backdrop for Chingay 2023.

RABBITS ART-VENTURE

Over 2,000 students from eight schools and institutions (Singapore Polytechnic, ITE College East, Yuhua Secondary School, Boon Lay Garden Primary School, New Town Primary School, Xingnan Primary School, Zhangde Primary School, and Yuvabharathi International School Singapore) curated and put together their own unique art space, as guided by the community artists and PA's Community Arts & Culture Clubs; creating their own Chingay Rabbits in various sizes to portray the theme of FUTURE SINGAPORE with their imagination and creativity.

FLOATS BY THE COMMUNITY

Debuted at Chingay Parade 2022, this is an initiative made possible with the involvement of our residents in co-creating the mini floats and guided by our local artists. A total of 17 unique "Future Singapore" Chingay Mini Floats will be presented at Chingay Parade 2023 and various heartland, to bring cheers to the community!
