Scratch Day Showcase

By Kaira Tharm Jia Li (4.3)
Infocomm Club CCA
Corporation Primary School

Corporation Primary School conducted its Scratch Day showcase on May 10, 2023. The event featured presentations of projects by Primary 3 and 4 students, who exchanged feedback and learned from one another beforehand. During the showcase, the Primary 3 and 4 students proudly displayed their work to students from Primary 1 to 3. The event had 10 enthusiastic volunteers, and around 80 students actively participated in playing the games. The students who tried the games provided positive feedback. Aathri (1.4) expressed delight in having many games to play, with "Cyber Stars" being one of her favorites. One volunteer, Yu Hang (4.2), shared how special it was for their CCA to have its own festival, and everyone celebrated it. Overall, both participants and helpers were happy to be part of the Scratch Day showcase.
