		P5 (selected students)	P5CCM (2.15pm to 3.15pm)

2. Successful Run of Parent Workshops

We have received positive feedback from parents/guardians who have attended the Parent Workshops conducted on 23 and 30 April 2021. The school would like to thank parents/guardians who have taken time off their busy schedule to attend these workshops and for their strong words of encouragement for the teachers who have planned and executed these workshops. We look forward to your strong support for the workshops which we will run next year.

"I love the ideas for the word games! Never knew there were such cool books in the school library and free resources. Well done Teachers!"

"Very meaningful and helpful workshop. Thank you teachers for your time and effort."

"Very useful session, looking forward to more such session in every subject which will help parents to use new learning methods to get kids interested in the subjects."

"Useful tips to engage my child especially about the growth mindset"

3. Safe Management Measures

a. Implementation of TraceTogether-Only SafeEntry

In tandem with the national roll-out, TraceTogether-only SafeEntry will be implemented in schools/institutions **from 17 May 2021**. From this date, check-ins would only be allowed via TT App/Token. Students should have their TT token or app with them throughout the school day to facilitate accurate contact tracing, should the need arise. As students will need to show their TT Token/App to their teachers in class during daily attendance and temperature taking, please ensure that your child/ward bring their Tokens/smartphones with the TT App to schools. Visitors, including parents/guardians of P1/P2 students who are fetching your child/ward from Parent Corner, must also check in using their TT token or app to be allowed entry into the school and must have their TT token or app with them throughout.

b. Reminder on Social Responsibility

In light of the rising number of community cases in the recent weeks, we would like to seek the co-operation of all parents and students to play your part by continuing to be socially responsible. Please continue to practise good personal hygiene as well as monitor your own and child/ward's health. Students who are unwell

School Values: Patriotism, Resilience, Integrity, Discipline and Empathy

should seek medical attention immediately and do not come to school. You should also inform your child/ward's Form Teacher if you have:

- (i) any adult household members (18 years and above) who is unwell with flu-like symptoms;
- (ii) any household member who has been served Quarantine Order (QO) or Stay Home Notice (SHN); or
- (iii) any household member who has undergone a swab test.

Your child/ward may return to school upon the end date of the QO or SHN or upon the school's receipt of a negative swab test result.

c. SMM During School Dismissal

Parents/Guardians are reminded of the following measures during school dismissal:

- Stand one-metre apart and DO NOT intermingle or congregate in small groups. Do also remind your helpers who are fetching your child/ward from school.
- Bring an umbrella as the waiting area is unsheltered.
- To minimise congestion at the traffic light area outside Gate 2, the school will open Gate 1 at 1.20pm. P1/P2 parents/guardians who are walking towards Eastpoint Mall can use this gate to exit the school.

Let us all work together to keep the school safe for all students and staff.

4. Road Safety Reminders

a. Drop-off During Morning Peak Hours and Pick-Up During School Dismissal

Despite the reminder inserted in last week's PN, the school observed that students continued to wait for parents/guardians to pick them along Simei Street 3.

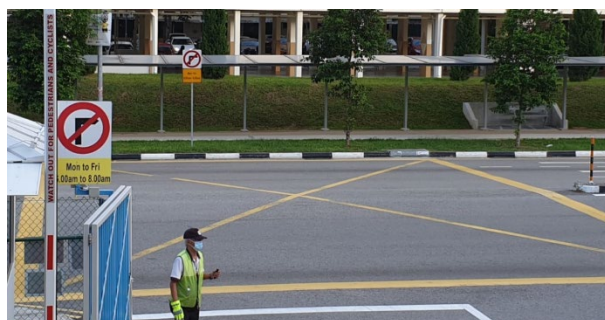

Please heed both the "No Waiting" sign and the double yellow lines on the road which mean "No parking or waiting at all times on the road."

The traffic flow along this street during these peak hours is heavy. These pick-ups/drop-offs compromise the safety of road users as well as the safety of our students. Please drive into school (after 1.55pm for dismissal) if you need to drop-off or pick-up your child/ward.

b. No Right-Turn from between 6am and 8am

During morning drop-offs, the school observed that drivers recklessly turned right when they exited the school compound despite warning from the security guard. Do note that turning right between 6am to 8am is a traffic offence and offenders will be reported to LTA.

Let's do our part to keep the school and its immediate surrounding safe for our students, staff and public.

5. Early Dismissal for Muslim Students on 12 May 2021, Wednesday

Students who are celebrating Hari Raya Puasa will be allowed to leave school at 10.05am (for P1/P2), 10.10am (for P3/P4) and 10.15am (for P5/P6) on Wednesday, 12 May 2021. Parents/Guardians must make the necessary transport arrangement for your child/ward. A separate notification has been sent through PG to affected parent/guardians on Tuesday, 4 May 2021. Please reply by **Monday, 10 May 2021.**

6. Suspension of Recess Play between 10 and 18 May

Please note that recess play will be suspended between 10 and 18 May as some levels will be sitting for their mid-year examinations.

7. SG75 Competition (for June School Holidays)

In 2017, a group of like-minded professionals, youth and community volunteers came together with a vision of creating a national level ideation and translation platform to engage and challenge the members of public to dream about what our collective Singapore future would be like in SG75 (2040).

This year's theme, **Sustainability: Building Resilience and Inclusiveness in Fighting COVID-19**, invites submissions in **essays, pictures and motion media** to express the strength of our community, emphasising the collective fight involving every walk of society. Every person is vital to every solution.

What is your vision and plan if a pandemic happens again? How will your reflections and experiences shape and encourage future Singaporeans?

More details: www.sg75.sg

As part of our efforts to uplift our sense of national identity and belonging, we want to encourage our students to express their aspirations for the nation. Students will be guided to work on their art pieces aligned with the theme and all students' artworks will be displayed in the school in time for the 2021 National Day Celebration. They are to complete their works during the June School Holidays. Should students decide on participating in SG75 competition, they need to submit their works online on their own with parent's consent. Art teachers should be informed if they submit their work for this competition.

Singapore Our Home SG75 is an annual event that encourages every generation to build a legacy for those to come.

This year's theme, **Sustainability: Resilience and Inclusiveness in Fighting COVID-19**, invites submissions in essays, pictures and motion media - to express the strength of our community and our collective fight involving every walk of society. Every person is vital to every solution.

8. Level Specific School Programmes/Events

For P3 Parents/Guardians Only

8.1 P3 Application/Change of CCA

P3 students are allowed to change their CCA after staying in their current CCA for a semester. This is to allow the students to be exposed to different CCAs before deciding on one next year, which they will have to commit to until P6. Their final choice will be made at the beginning of P4 and thereafter, students are no longer allowed to switch CCAs without a valid reason. P3 students who would like to apply or change their CCA please fill up the form using the following link, <https://go.gov.sg/2021p3cca> or scan the QR code.

Please fill up the form by **Friday, 14 May 2021**.

With warm regards,

Cheng Huey Teng (Mrs)
Principal
